# Assignment – 7 (HTML and CSS):

1.  Create a web page resembling the following:

If you hover on any of the link, it should be highlighted and underlined as shown below:

Once you have visited all the links, the color of the links should change to magenta:

Home    Campus Life    Faculty & Staff    Admissions    Contact

*Note:*    *Clicking on any of the link should take you to the corresponding web page on Stockton portal. Please compress your code and upload to blackboard.*
